Bleu Cheese Dressing Mix

Product Description

RC Bleu Cheese Dressing Mix is a dry mix containing ingredients classically found in Bleu Cheese Dressing. The prepared product is a smooth, creamy dressing. To create a "chunky" style dressing, bleu cheese crumble can be added during preparation. Made in the USA.

Product Usage

Prepare the product in a mixer using water, mayonnaise and sour cream.

To prepare a "chunky" style dressing, add crumbled Bleu or Roquefort cheese, or for a more "mild" version with chunks large curd cottage cheese may be substituted. Bleu Cheese Dressing is also used as the side dressing for hot wings. The dry mix can be used as a rub or to season breading and stuffing. Contact RC Fine Foods for more recipe ideas.

Packaging Sizes and Product Yield

Packaged in BPA/Phthalate-free poly packages. Each container has a lot code and "Best If Used By" date.
Product Number: 42303
Pack Size: 8/15 oz. bags
Yields: 2 gallons/bag

Storage Conditions and Shelf Life

Storage: Store bags in a cool, dry place. Prepared dressing should be refrigerated.
Shelf Life: 12 months

Ingredient Statement

Sugar, dextrose, salt, natural and artificial flavors, bleu cheese (milk, cheese cultures, salt, enzymes, disodium phosphate), dehydrated garlic, guar gum, dehydrated onion, soybean oil, and spices.
Allergens (Mix Only): Milk
Product preparation may add other allergens. Refer to labels on ingredients added.
Contains a bioengineered ingredient.
