Caesar Dressing Mix

Product Description

RC Caesar Dressing Mix is a dry mix containing ingredients classically found in Caesar Dressing. The prepared product is a smooth, creamy dressing with bits of Parmesan cheese, garlic, cracked pepper and anchovy. It contains no eggs and will not separate when prepared according to package instructions. Made in the USA.

Product Usage

Prepare the product in a mixer using water, vinegar, and salad oil.

A classic Caesar Salad is made with romaine lettuce and served with croutons. Often it is served with grilled chicken, beef or shrimp as a light entrée. The dressing makes a flavorful marinade for fish, seafood, poultry, beef, pork or vegetables. The dry mix can be used as a rub or to season breading and stuffing.
