Spiced Pumpkin Coulis Mix

Product Description

A *coulis* is a thick puree or sauce. Fruit coulis can be used as a dessert sauce or a plate garnish. RC Spiced Pumpkin Coulis Mix is a powder containing dehydrated pumpkin, Madagascar Bourbon vanilla and pumpkin pie spices. It prepares easily with water or 50:50 water/milk to create a flavorful pumpkin-colored coulis fruit sauce. It is packed in a 1-pint squeeze bottle, with a dropper top, which serves as both a mixing and application container. When dry, the product may be stored at room temperature. Made in the USA.

Product Usage

A coulis is used to create exciting plate presentations for both savory and dessert dishes. By using the dropper top, a thin line of coulis can be plated to create designs or added as a finishing fruit sauce. Several flavors may be used for an attractive color contrast.

Prepare with all water for a vibrant spiced pumpkin sauce.
Prepare with ½ milk and ½ water for a creamier taste and texture. (No more than ½ milk or it will be too thick).
