French Onion Soup Mix

No Added MSG*

Product Description

RC French Onion Soup Mix is a pre-measured combination of dehydrated onions and beef flavor base that yields a flavorful soup when reconstituted with water and simmered. This dry product has a long shelf life and requires only minimal storage space. Plant-Based and Vegan. Made in the USA.

Product Usage

To prepare, add the product to water and simmer until the onions are tender, about 30 minutes. The soup may be enhanced with sautéed onions or wine.

A popular method of serving onion soup is *au gratin*. Slices of toasted French or Italian bread are placed in the bottom of the crock or bowl, and then the soup is poured over the slices. Gruyère or mozzarella cheese is sprinkled over the contents, and the container is placed under the broiler until the cheese is bubbling and brown.
