Instant Food Thickener

Product Description

RC Instant Food Thickener is a white powder that dissolves easily, without lumping, to thicken foods instantly. The product works in both hot and cold applications. Thickness will vary with quantity used. Once prepared, it is freeze-thaw stable. Made in the USA.

Product Usage

In Healthcare applications, RC Instant Food Thickener is used to help feed individuals with dysphagia or swallowing problems. Add it to beverages, nutritional supplements, milk, soups, gravies, sauces or pureed foods for instant thickening.

In the Kitchen, RC Instant Food Thickener can be used as a thickener for stews, gravies, sauces and soups.
