Siena Vinaigrette Dressing Mix

Product Description

A dry mix containing herbs, seasonings and a touch of mustard. The prepared product is a smooth, creamy, golden salad dressing with colorful bits of herbs and bell peppers. This dressing does not separate. Made in the USA.

Product Usage

Prepare product in a mixer using 1 cup sugar, 1 pint water, 1 quart vinegar, and 2½ quarts salad oil. It may also be prepared in a shaker jar, although some separation may occur. The flavor profile can be easily varied just by using different types of vinegars -- white, balsamic, cider, wine or flavored. Olive oil may be substituted for part of the oil.

Prepared Siena Dressing makes a flavorful marinade for fish, seafood, poultry, beef, pork or vegetables. The dry mix can be used as a rub or to season breading and stuffing. Contact RC Fine Foods for more recipe ideas.
