Product Description

This dry sugar free gelatin mix is sweetened with sucralose (the same sweetener as Splenda®). The product contains no sugar or fat and is low in sodium and calories. Made in the USA.

Product Usage

RC Sugar Free Cherry Gelatin Mix can be used to prepare a variety of desserts. To prepare, dissolve a package in 2 quarts boiling water. Once dissolved, add 2 more quarts of cold water, pour into serving dishes and chill until firm. Prepared product should be kept refrigerated. For molds, reduce water slightly.

To Add Fruits or Vegetables: Chill gelatin until slightly thickened. Add 8-12 cups of cooked or raw fruits or vegetables. (Do not use fresh or frozen pineapple, kiwi, ginger root, papaya, figs or guava – the gelatin will not thicken.)
