Sugar Free • Cholesterol Free • Low Sodium • Low Calorie

Sugar Free Chocolate Mousse Mix

Product Description

A dry mix that is prepared by whipping with ice water. The finished product is a light textured, airy, Bavarian-style mousse with smooth creamy texture. It is sugar free, cholesterol free, low sodium and low calorie. This product is sweetened with sucralose, the same sweetener as Splenda®. It is freeze-thaw stable. Made in the USA.

Product Usage

RC Sugar Free Chocolate Mousse Mix can be used to prepare a variety of desserts. The prepared mousse can be piped for serving, used as a filling for pies and pastries, as a cake icing or filling or as a frozen dessert. Add RC Extracts such as Banana, Raspberry or Almond to create a flavored mousse. Ingredients such as chocolate bits, crumbled cookies, fruit or chopped nuts may be added after fully whipped.

To prepare, 1 package is whipped at high speed with 1 quart of ice water. For best yield, water must be less than 38°F. The bowl and whip should be chilled beforehand. Ice cold fat-free milk may be substituted for all or part of the water, but it will change nutritional information and add sugar.

Packaging Sizes and Product Yield

Packaged in BPA/Phthalate-free poly packages. Each package has a lot code and "Best If Used By" date.

Product Number:	83511	83501 (assortment)
Pack Size:	6/16 oz. bags	8 bags
Yields:	about 3.5 quarts/bag	4 bags/flavor

Storage Conditions and Shelf Life

Storage: Store bags in a cool, dry place. Prepared product must be kept refrigerated or frozen.
Shelf Life: 12 months. Prepared: 4-7 days, refrigerated.
